'96 Select Boys; '96 Select Girls; '94 Select Boys Promoted to Premier Division

The spring 2010 season has seen some fantastic results for Carolina Soccer Club and its teams. In particular I am pleased to announce that the '96 Select teams, both boys and girls, have earned a Premier Division spot in their first year of eligibility. Both teams will be playing in the Premier Division in the fall 2010 NCYSA season.

Also, the '94 Select boys took first place in the U15 First East Division to secure a spot in the Premier Division for the upcoming fall 2010 NCYSA season as well.

Congratulations to all of our players and coaches on a season well-played.
