CRSC President named Region III Premier League East Discipline & Protest Chairman

Scott M. Weiland, President of Carolina Soccer Club since August 2006, has been named to the position of Discipline & Protest Chairman for Region III Premier League East.

The US Youth Soccer Region III Premier League provides an opportunity for the most competitive teams in Region III to play each other on a scheduled basis. The league is comprised of boys and girls in the age groups of U-14 through U-18. Typically the prior years Premier League champion in an age group, the state cup finalist(s) or the champion of an instate league are potential candidates. The region is currently divided into 3 sub regions with Region III Premier League East hosting teams from NC, SC, GA and FL.

The RIIIPL P&P Chairman is responsible for all disciplinary matters arising out of all RIIIPL play, including suspensions, fines and appeals. This position, although not always a "popular" one, is critical for the good of the game.

Scott's leadership and example set while president of Carolina Soccer Club has left an indelible mark with NCYSA, RIIIPL and USYSA. The quote, "treat everyone with honor, dignity and respect" is practiced both on the field and off at CRSC and this appointment by RIIIPL for our President is a reflection of the type of leaders Carolina Soccer Club has in office and on staff.

Congratulations again to our President, Scott Weiland!
